

POLAND AROUND

WE ARE BACK!!

Ok guys, there we are, we are back. Now we are in our countries, in our cities, back to our lives, but we will keep this experience in our hearts forever. We had fun, we committed, we lived this experience at best. We met and we became friends. We will never forget about our relationship, the barbecues together, Chako. We love you guys and do not even forget about Poland Around.
